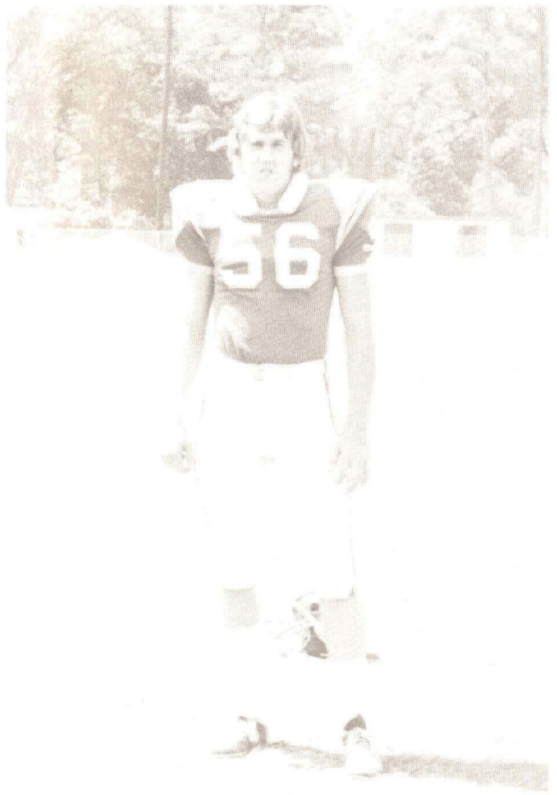
Mr. MPHS

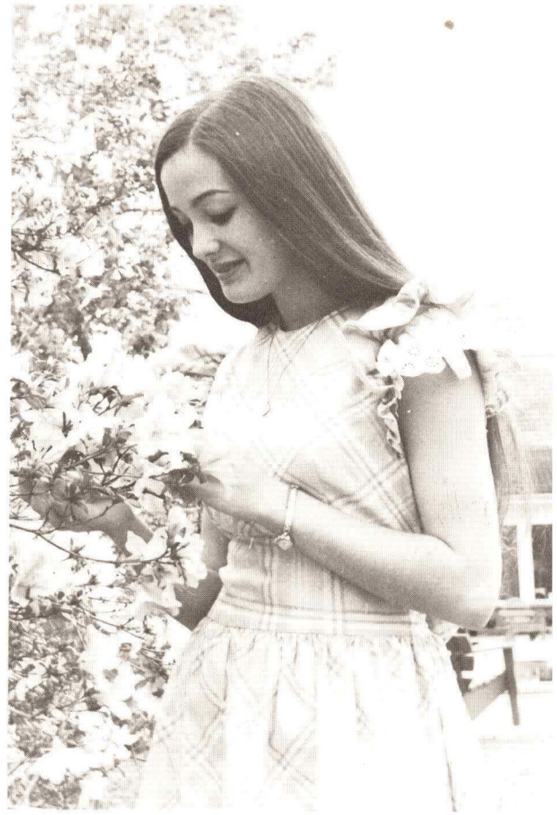
Frank Mark White



Frank Mark White, Jr. was the student body's selection to this most high honor, Mr. MPHS. Mark was a leader at MPHS in athletics as well as other fields. A three year letterman in football, he was chosen All Big-8, was selected to play on the All Star Team in the summer and has been awarded an athletic scholarship to Mississippi State University. In addition to playing football Mark played basketball as a sophomore and participated in track and baseball during his high school years. He was chosen a junior class favorite and was selected Most Like to Succeed as well as a Senior Class Beau his senior year. Mark is certainly deserving of the honor given to him by his classmates as Mr. MPHS for 1973.

Miss MPHS

Deborah Glynn Sandifer



Serving as a football cheerleader for three years and as the head cheerleader her senior year show that Deborah Glynn Sandifer is dedicated and enthusiastic about MPHS. Debbie has been quite active in her years at MPHS where she has been a member of the Glee Club and Madrigals, the Jr. Civitan, Y-teens, and the student council. Debbie was chosen as a beauty her junior year. She was the 1972 homecoming queen and held the female lead in the senior play. An honor graduate and member of the Hall of Fame, this young lady is especially deserving of this highest honor--Miss MPHS for 1973.

A CAROUSEL OF BEAUTIES

To a theme of "A Carousel of Beauties" twenty-nine lovely young ladies competed in the annual beauty pageant. Entering upon a carousel and parading a balloon-lined, carnival appearing runway, the girls each displayed charm and beauty. The decision was a difficult one and came after long moments of suspense. Karen Parks was selected Most Beautiful to serve with senior beauties Theresa Liddell and Nancy Wood. Beauties from the junior class included Joycelyn Betts and Wanda Gatlin, while Cindy Alford and Martha Stringer were chosen as representatives from the Sophomore Class.

HOMECOMING '72

Homecoming '72 was not just one night honoring Moss Point High royalty, but an entire week of anticipation, competition, and determination.

At school we witnessed tackey day contrasted the next day with dress-up day. Then the very noisey bell day was followed by an overwhelming show of unified Tiger spirit on blue and white day.

After school was another story. Sophomores learned of the headache as well as the fun of constructing a float. Seniors, although eager to work had a hard time starting. The best float came from the band under the theme of Top Cat.

That night was certainly one to be remembered by all of the girls in the court. Miss Debbie Sandifer served as Homecoming Queen. Escorted down centerfield by Randy Bond, she was crowned by principal Ray Blackledge, and presented a dozen roses by Tony Gray. We are truly proud of our 1972 Homecoming Court.

With USO Show theme, 21 Moss Point girls competed in the annual Jr. Miss Pageant for 1973. The students at MPHS were indeed proud of Miss Cindy Tanner when she was crowned Moss Point's Jr. Miss for 1973. Everyone will agree that Cindy was selected for her intelligence, appearence, and talent. First alternate Miss Debbie Sandifer, second alternate Miss Dotty McLeod and Miss Janice Hanson was chosen by her fellow contestants as Miss Congeniality.

1973 Carnival Ball Court

The annual Carnival Ball, sponsored by the MPHS Tiger Band and the Band Parents' Association, was a great success this year. The entire student body worked for many weeks promoting their class royalty. The band members not only supported their royalty, but they also devoted many long, hard hours to the plans and decorations, insuring the success of the Ball.

Crowned King and Queen of the Ball were Chuck Stuart and Charles Cooper, Susan Priddy and Dorothy Caples, who were the representatives of the hard-working Senior class. They collected for their efforts a total of $1300. Reigning Archduke and Archduchess, from the Band, were Bruce Bullock and Frank Rogers, Ila Mae Dye and Ella Plainer.

The ball had as its theme "Camelot". Held at the Escatawpa Gym, the festivity was attended by many MPHS students. Music was furnished by Volta. All the proceeds from the Carnival Ball went to the Band for much needed equipment.

Y-TEENS

The two main activities of the Y-Teen Club this year were a cook-out and the Farmers' Ball.

The cook-out, also the Christmas Party, was attended by the girls and their dates and was held at the camp of the Harry Lane's.

The Farmers' Ball was held May 5 at the gymnasium of the Escatawpa Elementary School. For the court dance all Y-Teens square-danced with their dates. Miss Phoebe Faggard was crowned Queen Daisy Mae. Phoebe's escort for the night was Fred Presley. Mr. Billy Mullins called the square-dance with Mr. Malcolm Rogers at the piano. Mr. Eddie Stewart served as Master of Ceremonies. The group "Volta" furnished music for the Ball.

NATIONAL HONOR SOCIETY

The National Honor Society is now in its second year at MPHS. To be a member of this club one must have obtained an overall 90 average and must have been nominated by one of their teachers. The characteristics of each member are those of leadership, scholarship, character and service.

This year, 30 new members were selected to be a part of the NHS. They went through a week of initiation and were then formally initiated at a candlelight service held in the high school auditorium.

The NHS was represented in the MPHS Homecoming parade by their Dreamboat and Sweetheart, Charles Perry and Greer Walker. The NHS has also participated in the local Heart Fund and Cancer Drive. This year's sponsors are Mrs. Juanita Mathis and Mrs. Mary A. Roberts.

Marketing DECA Chapter

One of MPHS's newest clubs is also one of its most active. The Marketing DECA Chapter, sponsored by Mr. Bill Hutto, has gained in its first year a list of prizes and awards.

At district competition held in Picayune, the chapter came home with two third place winners and one second. Minnie Smith placed third in sales demonstration, and Kenneth McMellon third in window display, with Art Oliver placing second as boy student of the year.

23 members represented the Moss Point chapter at state competition held in Biloxi, again coming home with a number of awards. Kenneth McMellon placed second in window display, Art Oliver was named as State District 4 Vice President, and Darlene Baker and Shirley Broussard placed second for their manuals on Studies in Marketing.

To make these trips the members of the chapter had several fund raising projects throughout the year. Things such as car washes, bake sales, and sales of different goods were carried on all year.

CLUBS OF AMERICA

Moss Point's other DECA chapter, Cooperative DECA, is just as active. This is its second year at MPHS and this year they have a new sponsor, Mr. Paul Johnson.

After its election of new officers, the chapter held a formal installation in the high school cafeteria. Along with the installation was the formal initiation of new members.

At the local conference, winners were chosen to go to district competition. At this conference, held at the high school, the winners were, Randy Bond-job interview, William Lee-sales demonstration, Lana Taylor-public speaking, Bob Ehlers-window display, Bill Firth-advertising. Chosen as Most Outstanding Boy and Girl of the Year in the chapter were Debbie Vinson and Bob Ehlers. These students went on to compete in district competition in Picayune. Winners at district were Randy Bond-job interview, and Debbie Vinson-Girl Student of the Year. At state conference Debbie Vinson was elected as secretary of the State Association of DECA. Randy Bond, retiring president of the association, presided over the conference held in Biloxi.

The chapter is also the sponsor of a radio show called "DECA Speaks". This program is aired on two local stations, WPMP and WCIS every week. It not only allows DECA to "speak", but other clubs at MPHS as well.

Cooperative DECA members have appeared before several civic and trade organizations throughout the community and have participated in such school activities as Homecoming, in which they sponsored a float.

STUDENT COUNCIL

OFFICERS: Pres.-Tony Gray; Vice-Pres.-Warren Deas; Sec.-Cindy Farris; Treas.-Jackie Lett; Reporter-Gail Avdrett.

The Student Council of 1972-73, in an attempt to improve student government at Moss Point High, has gained respect from both the student body as well as faculty. The officers and representatives elected by the student body, are continually seeking ways to make Moss Point High a place to respect and to be proud of.

One of the Council's better efforts was the much improved Tiger Shoppe. The Shoppe provided students with such things as school supplies, snacks, and "spirit equipment."

The Student Council was represented at the Southern Association of Student Councils by Jim Williams, Wendy Wilkinson, Frances Hunt, and Tony Gray. At the convention, our delegates gained recognition for MPHS when they were elected to the position of vice-president of the SASC. They were accompanied on their trip, which was held in South Carolina, by Mr. Darrel Perrien.

The sponsors of this year's Council was Mr. Tommy Hewlett and Mr. Alton Joseph.

The Moss Point Tiger Band has been very active this past year. They worked hard during football season preparing excellent halftime shows.

They placed first in the float competition during homecoming week. And won the Spirit stick during the Pascagoula-Moss Point Game. The Band rated "good" at Gulf Coast Marching Festival, and "excellent" at State Band Festival.

The Band gave 2 concerts this year, marched in the Pascagoula and Moss Point Christmas Parades, and worked long, hard hours putting together their annual Carnival Ball.

In May, the Band ended a good year by making a pleasure trip to Disney World.

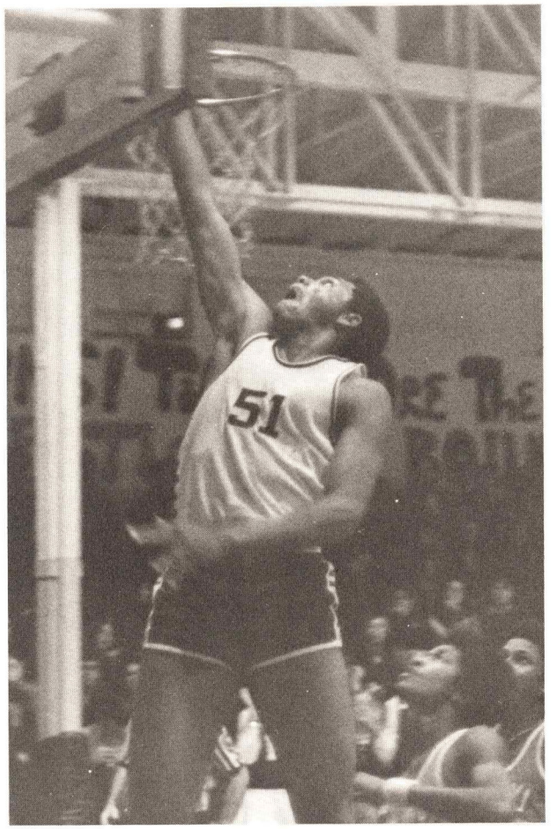
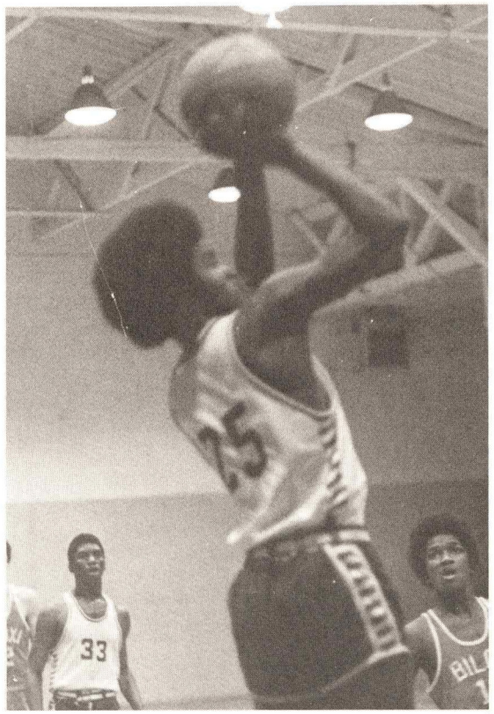
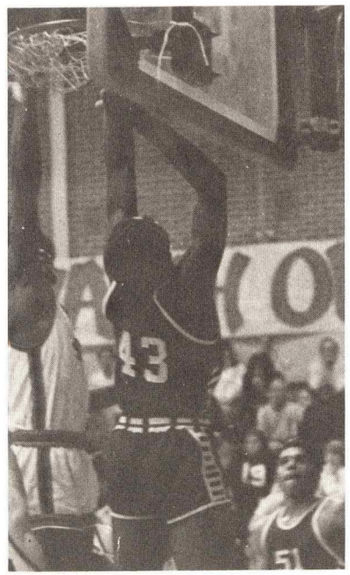
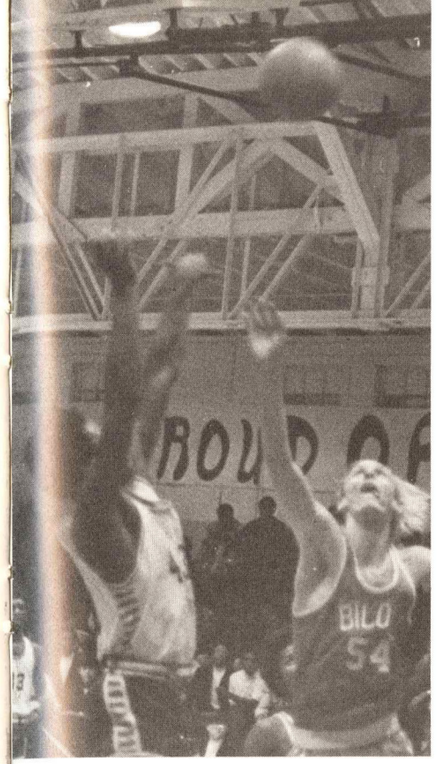
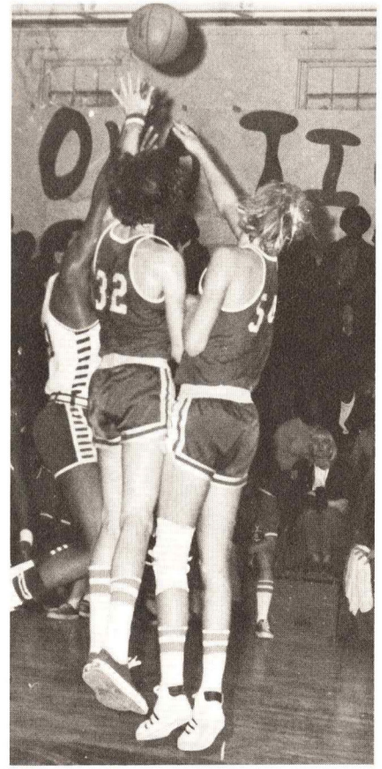
1973 MPHS BASKETBALL TEAM











The 1972-73 basketball season was most exciting with a win loss record of 7 wins and 9 losses. The fighting Tigers were the winners of the Harrison Central Basketball Tournament for the second consecutive year and once again came in second in the District VIII Tournament thus enabling the Tigers to advance to the South Mississippi Tournament. Even though they were defeated in the first game of the South Mississippi Tournament we are indeed proud of the way these young men represented Moss Point High School.

The Tiger Basketball Team is coached by Mr. Ronald Russum and is assisted by Coach Donald Clinton. These men have helped make our team one of the best in the state. We are proud to have them as a part of Moss Point High School.

With a season record of 6 wins against 5 losses the Moss Point High School Baseball team placed second in the District VIII baseball standings. Under the able coaching of Ken Morgan and Dickie Niles and the excellent pitching of Phil Sutterfield, Kim Seaman, and John Bell the Tigers were exciting to watch. Especially exciting was the second Moss Point-Pascagoula game that lasted eleven innings with the Tigers coming out on top to hand Pascagoula the only loss of the season.

TEACHER OF THE YEAR

Mr. Tommy Hewlett

Mr. Tommy Hewlett has been chosen by the Student Council to be 1973's Teacher of the Year. Because of his concern for MPHS students, and his participation and involvement in MPHS activities, he is a logical choice.

Through his classes in Problems of Democracy, Mr. Hewlett has involved many a student in the responsibility of citizenship. His many projects of school and community involvement have created an interest in students to better their school and town. Mr. Hewlett also teaches speech, and has gained recognition for MPHS through his work with speech contests, the Debate Club, the High School Bowl Team, and Youth Congress delegates.

In the field of extracurricular activity, Mr. Hewlett has been one of MPHS's strongest supporters. He has served well as sponsor and advisor of the Student Council, helping them to achieve the highest point of activity we've seen in many years.

Mr. Hewlett has earned the respect of the community as well as students. He was chosen as Outstanding Educator for Moss Point, and is serving as Vice President of the Pas-Point Jaycees.

There is no limit to Mr. Hewlett's devotion to Moss Point High School. At any MPHS function, Mr. Hewlett is one person who is sure to be around. Whether he is filling in as our Tiger mascot at football games, or very capably organizing a campaign for Youth Congress Speaker of the House, the student body of MPHS has come to depend on Mr. Hewlett. Most of all, however, he has gained our utmost respect.

CONGRATULATIONS!

GREER WALKER

Selection as the Most Polite girl at MPHS for two years shows the admiration and respect that the student body has for Greer Walker. She has proven herself to be a conscientious, dependable scholar in all phases of club and class work. Serving as Vice-president and President of the National Honor Society, she was also an active member of the Madrigals, Glee Club, Student Council, Y-Teens and Art Club. A homecoming maid for two years, this likable senior typifies well the qualities of a Hall of Fame winner.

RANDY CAMERON BOND

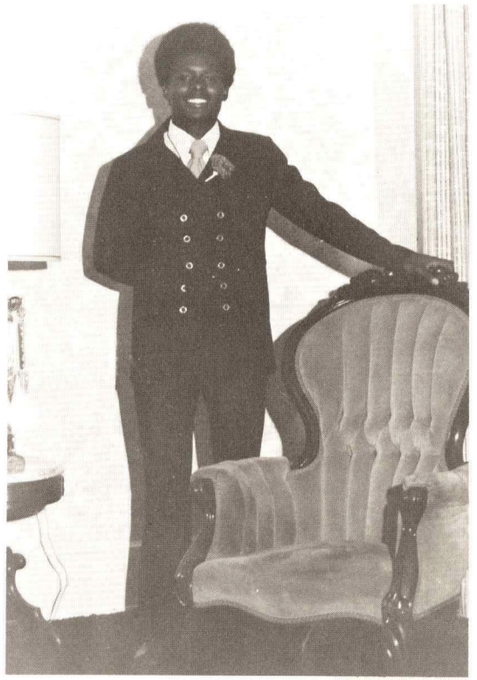
A young man with many and varied talents is Randy Cameron Bond. Whether playing the guitar, singing with the Madrigals, or conducting state DECA meeting, he is always willing to share his talents with others. His fellow students showed their respect by voting him "Most Talented". Randy has served MPHS well as a member of DECA where he served as a representative of the state organization and was a delegate to the National Leadership Conference. A member of the Key Club and delegate to Boy's State, Randy has earned his place in the Hall of Fame.

SUSAN RHEA PRIDDY

Dependable and friendly, Susan Rhea Priddy has worked in all phases of school activities as well as church activities. At the top of this list of activities is her dedication as a football cheerleader, which she served as co-head. She was a member of the Glee Club, Madrigals, Jr. Civitan, Y-Teens and French Club. Susan served as Carnival Ball Queen and a member of the Youth Congress delegation. A charter member of the National Honor Society, this senior served her school well and for this has earned her place in the Hall of Fame.

CYNTHIA LU TANNER

Because of this young lady's outstanding contributions, Moss Point High School was well represented in several state and national contests. A national-merit finalist and a participant in the International Science Fair, a Girl's State Delegate, and Moss Point's Junior Miss all show Cindy's intellectual ability as well as her talent and personality. A football cheerleader for two years, Cindy served as a member of the Glee Club, Girl's Sextet, Debate Club, Student Council and National Honor Society and as a piano accompanist of the Madrigals. Selected as the STAR Student she is the 1973 valedictorian. Winner of a DAR Citizenship Award and a member of the Senior Play cast, Cindy Lu Tanner certainly earned her position in the Hall of Fame.

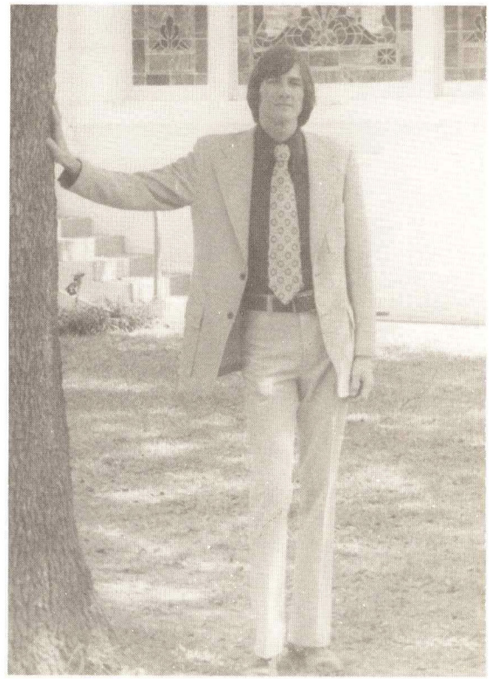


SAMUEL ALEX PARKER

A sincere interest in his fellow students and willingness to help are two of the outstanding characteristics of Samuel Alex Parker. King of Carnival Ball as a Junior and a member of the court as a senior, Sam has shown his dedication to MPHS and the band. Besides serving as parliamentarian of the Afro-American Club, he was a sergeant in the band. Samuel excelled in journalism as he served as sports editor of the Growler. For these achievements, Sam was selected for the hall of Fame.

TONY LAMAR GRAY

Tony Gray is certainly a qualified member of the MPHS Hall of Fame. The polite Student Body President has displayed able leadership in several activities. A delegate to Boy's State and Mississippi Youth Congress, Tony also served MPHS as a member of the Madrigals, the Key Club, Debate Club, and Library Club. He was a member of the senior play cast and was chosen by the student body as the boy at MPHS with the MOST School Spirit. The recipient of a citizenship medal, Tony is indeed deserving of his place in the Hall of Fame.

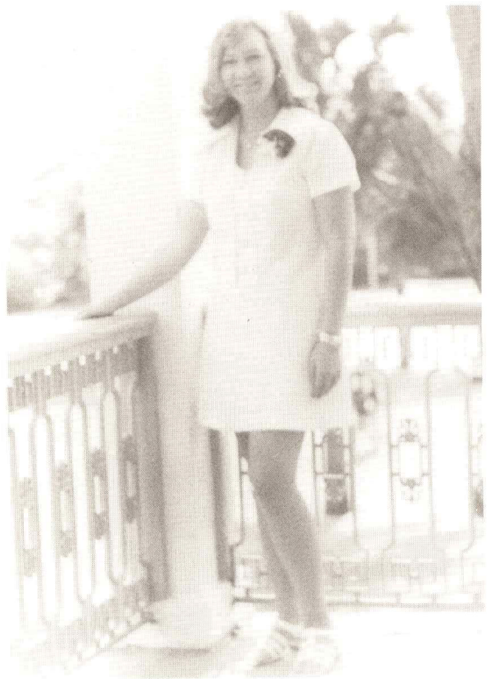


DOROTHY LOUISE McLEOD

A sincere, hard-working student Dotty McLeod has excelled in church and school related activities with her ability to serve as well as to lead. Whether leading, as Vice-president of the senior class, co-editor of the Growler, or President of the French Club or serving as a member of Jr. Civitan, Student Council, or Y-Teens, Dotty works well. Among her other numerous activities at MPHS are singing with the Madrigals, serving as a delegate to Girl's State, and being a charter member and treasurer of the National Honor Society. Selected as Most Sophisticated Senior and a Senior Class Favorite, this honor graduate takes a well-deserved place in the Hall of Fame.

CHARLES COOPER, III

Athletic, active and versatile are three words to describe Charles Cooper, another member of the Hall of Fame. Charles proved his athletic ability by being a member of the baseball, track, and football teams throughout his high school years. Membership in Key Club, Student Council and Bi-racial Committee show his activeness. Charles versatility is demonstrated by his assistance as a hallmonitor, a member of the Tiger Flash staff, a delegate to Boy's State and Carnival Ball King. This able Senior Class President is indeed worthy of membership in the Hall of Fame.



KAREN CECELIA HOUSE

"Ready, willing, and competent" to do whatever is asked describes Karen House. A member of Jr. Civitan, Y-Teens, DECA and Debate Club, Karen was also chosen as a National Merit-Finalist. An active member of the Spanish Club and National Honor Society and historian of the class of '73, Karen is a deserving choice for the Hall of Fame.

DEBORAH GLYNN SANDIFER

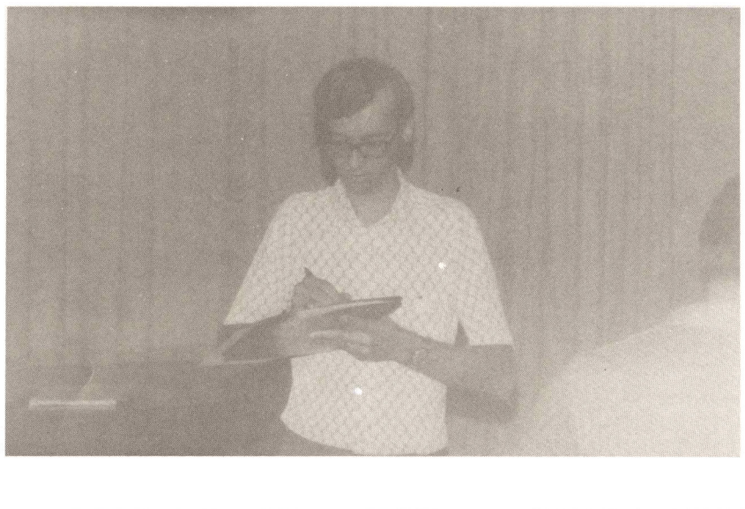
Having served as cheerleader for the Tiger team for three years and head cheerleader her senior year, vivacious Debbie Sandifer displayed energetic spirit and enthusiastic support for her school. Her sincere efforts were rewarded her senior year as she was selected Homecoming Queen. The popular miss was elected to the Who's Who contest's highest honor, Miss MPHS. During her busy high school days Debbie was a member of the Glee Club, Madrigals, Jr. Civitan, Student Council and Y-Teens. A beauty her junior year and the female lead in the senior play, Deborah Glynn Sandifer is indeed deserving of her place in the Hall of Fame.

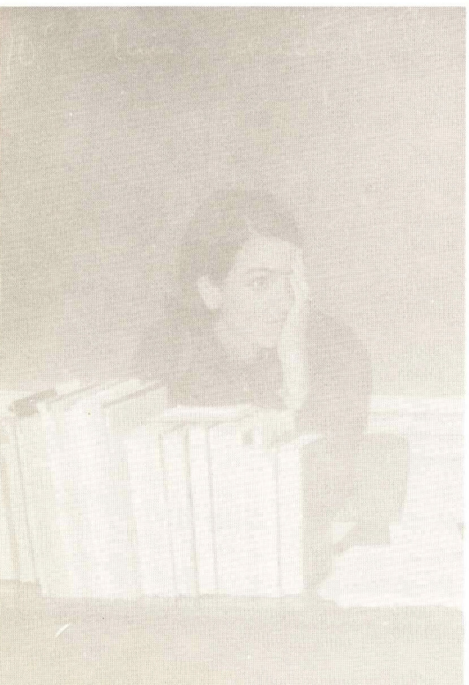
JUDY ARLINE MILLER

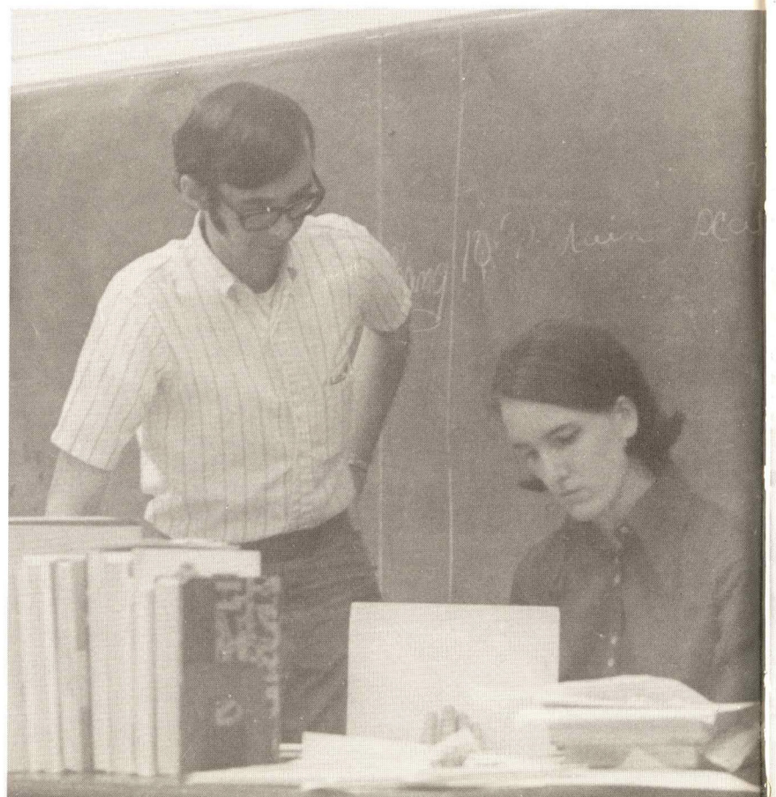
A friendly manner and a pleasing smile make Judy Miller well-liked by her fellow students. As a member of the Glee Club, Judy also sang with the Girl's Sextet. Judy served as reporter and president of FBLA as well as participating in the Y-Teens and Jr. Civian. She was a member of the Carnival Ball Court and was an outstanding member of Occupational Home Economics program where she worked at Singing River Hospital. For her contribution to MPHS, Judy, an honor graduate, is awarded her place in the Hall of Fame.

WILLIE EDWARD LEE

Playing the game and playing it well whether on the athletic field or in the classroom have brought honors to this outstanding student. A three-year letterman in football, basketball, and track Willie Lee has worked and played hard for MPHS. This likable senior was chosen as Best All Around Sophomore, and Most Versatile Boy as a junior and senior. As a member of the Tiger Flash staff, the Bi-Racial Committee, the Carnival Ball Court, and winner of an athletic scholarship, this young man has indeed shown his versatility. For these contributions to MPHS we honor Willie with selection to the Hall of Fame.







1973 GROWLER DEDICATION

Mr. & Mrs. Doug Sullivan

When we began considering the possibilities for dedication of the annual, we naturally tried to think of that person who had done the most not only for the annual, but for the entire school. We considered many people, and finally decided on something a little unusual for Moss Point High School. We chose not one person, but two.

Looking back over this school year, you can't help but wonder how we could have managed without the presence of Mr. and Mrs. Doug Sullivan. If you ever needed to know something about anything, at least one of these two would know. The list of their activities is endless. During Homecoming, they were one of the few who actually cared whether or not that Sophomore or Junior float got finished. Then, the magazine sales.....naturally, Mrs. Sullivan was in charge. Let's not forget the beauty pageant. Most people never thought to ask who designed and built the backdrop, or who printed the program, and in general, who managed the whole thing. Supposedly, it was the annual staff, but we know the credit should go to Mrs. Sullivan.

To Mr. Sullivan, we owe a much improved Glee Club, that for the first time in many years received a very high rating at choral festival. This year, we also began hearing a lot about Madrigals, a totally new idea at Moss Point High School. All the credit for Madrigals should go to Mr. Sullivan, along with a great big thank you. He has devoted many hours to a sometimes uncooperative, and maybe a little lazy group, but we feel the time was well spent. These talented young students have represented MPHS in many places and before many influential people. We know this has had a very good effect on the reputation of Moss Point High School as a whole.

As members of the annual staff, we know first hand of the time, worry, and work that Mrs. Sullivan has put into this annual. We also know very well what Mr. Sullivan has had to put up with because of this loyal devotion. The many days and nights of drawing off pages, counting votes and taking last minute pictures should not go unrewarded.

Because of their participation, devotion, and concern, and because we love them both, we, the 1973 Growler Staff, would like to make this edition of the Growler, their Growler.
